## **SniperGhostWarriordirectx9download !FREE!**

July 13, 2014 - Okay, whenever I turn on DX9, there's a serious graphical error that occurs when equipping weapons (see link below). I don't know if this is a DX9 issue or a DX8 issue, but I thought we should be able to say, "Well, that's not so bad. Sometimes it happens". Here is the link: <http://bugs.launchpad.net/dx9/+bug/893745> and <http://bugs.launchpad.net/dx9/+bug/782981> I'm not going to try to fix it myself. I don't know where to find problems. I really don't want this to happen again. But I can check if the problem is actually a DX9 bug or a DX8 bug.
